DEFINITIONS

§ 983.1 Accredited laboratory.

An *accredited laboratory* is a laboratory that has been approved or accredited by the U.S. Department of Agriculture.

[74 FR 56539, Nov. 2, 2009]

§ 983.2 Act.

Act means Public Act No. 10, 73rd Congress (May 12, 1933), as amended and as re-enacted and amended by the Agricultural Marketing Order Act of 1937, as amended (48 Stat. 31, as amended; 7 U.S.C. 601 et seq.).

§ 983.3 Affiliation.

Affiliation. This term normally appears as “affiliate of”, or “affiliated with”, and means a person such as a producer or handler who is: A producer or handler that directly, or indirectly through one or more intermediaries, owns or controls, or is controlled by, or is under common control with the producer or handler specified; or a producer or handler that directly, or indirectly through one or more intermediaries, is connected in a proprietary capacity, or shares the ownership or control of the specified producer or handler with one or more other producers or handlers. As used in this part, the term “control” (including the
